

VANDALISM:

If a member(s) or person(s) on or associated with a team commit(s) an act of vandalism, the team may be disqualified from the competition. In egregious cases of vandalism, as determined by tournament officials, no member of that team will be awarded a medal in ANY event. An individual who commits an act of vandalism may not be awarded medals and may be barred from future competitions.

Each sponsoring school must agree to pay the cost of repairing damage from any act of vandalism before it can register a team for a subsequent year.

Vandalism means a deliberate action that results in damage to property. This includes, but is not limited to, graffiti, damage to facility property and damage to the personal property of competitors, judges and spectators.

I have read and understand the Virginia Science Olympiad Policy on Vandalism, and I have discussed this with the team members, coaches, parents and administrators and will accept the consequences of violation of the policy as assessed by the Virginia Science Olympiad officials.
